Description

Rare of this beautiful size this large Portrait painted on canvas with key frame is well done with application of a beautiful smoothed and detailed oil, very realistic this "Officer Captain" of Colonial infantry displaying all his medals, hand to the saber is remarkable by his presence; he is at your disposal and with his proud and direct gaze will protect your home. This large painting: 79X 110, will proudly mark your home with its presence, and if you adopt it will decorate a room in your house (I see it very martial in an office. This Work that I place around 1880 is in good condition restored despite its service record. A theme-oriented painting not devoid of interest, because decorative as desired and very realistic in good condition
