Depth : 64 cm (25,20 in)

Description

This solid cherrywood chest, crafted in the late 19th century, is an authentic testament to the furniture heritage of the châteaux of the Loire Valley.It was assembled using the traditional mortise and tenon technique, ensuring remarkable sturdiness. Resting on solid and harmonious legs, it opens from the top and features a back panel also made of solid wood, a testament to its artisanal quality.Made by a local artisan from the Anjou region, this chest was crafted with particular care, with each piece of wood meticulously selected to ensure strength and durability.This chest comes from the outbuildings of a château in Anjou, an emblematic region of the Loire Valley.Originally used for storing food supplies, its top-opening design allowed for quick and convenient access to provisions while
