Description

Exceptional Scandinavian Gateleg by the choice and quality of the Dos Santos Rosewood (Rio rosewood). Created by Bengt Winge for Kleppe Mobelfabrik of Norway. It opens with two flaps supported by four folding legs. So once open, it can accommodate 6 to 8 people. When closed, it takes up no more space and becomes a superb console that is 23 cm wide. Everything is in very good condition, and works perfectly. The top is truly one of the most beautiful existing for this model.
