

## Arras Garden Furniture Set

2 500 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Length : 150

### Description

Saint Sauveur d'Arras garden set, including a bench and 3 chairs dating from the 1900s  
Marked. The set is made of wrought iron with cast iron feet in the shape of Lions' paws. Made in the SAINT-SAUVEUR factory, located in Arras (France). They specialized in cast iron and small artistic ironwork. From 1840 to the 1920s, the garden furniture they designed and produced was both innovative and very solid for the time.
