Exhibition at Tokyo and Aix en provence

" The friendship between Pierre-Auguste Renoir and Paul Cézanne had to last all their life. She goes on at the descendant's. Paul Cézanne was better than his friend; he would not have come at the idea of considering him than what a brother. Our two families even now make only one, with the quarrels and the affections which exist only beyond the limits of a certain intimacy " Extracts from the book: Pierre-Auguste Renoir, my father
