For a small rug, it's a small rug.

Kayseri in silk on silk, 1980 in perfect condition, I don't have smaller and the price is also small!

Four rectangles offer us four different decors, pretty border, lined with a golden yellow silk thread.

The velvet of the Kayseri is always short and the inspiration for these rugs comes from old Persian rugs, especially from Tabriz.

Surprisingly in Tabriz silk rugs are knotted with the influence of Kayseri rugs.

These exchanges of designs are due to the commercial and cultural contacts and exchanges that these two cities have between them.

These exceptional rugs with delicate patterns are inspired by nature.
