### Description

Pair Of Crystal Chandeliers Circa 1950s .This pair of mid-20th century Italian crystal chandeliers is in good conditions, perfectly restored and ready to be hanged. The rewiring according to the European standard ensures that the original features are maintained, allowing the use of five candles with a E14 light bulbs and a maximum power of 500 watts.The golden wrought iron structure features a central stem from which five scroll-shaped arms branch out, made of wrought iron and finely finished with gold highlights. This element not only adds a touch of luxury, but is also representative of the typical style of the period. Being of Italian origin, these chandeliers reflect a design art that characterized the mid-twentieth century period.Placed in a room, these chandeliers are able to create a warm
