Description

Art Deco solid silver baby rattle.

The rattle is composed of two circular bells with typical Art Deco motifs.

They are joined by a bone ring.

Each bell is hallmarked with a boar's head for solid silver since 1838.
There is also a trace of a poorly struck goldsmith's hallmark on one of the bells.

Charming rattle for a beautiful baby, with a rare double bell configuration.

10.5 cm "long" when the bells are aligned on each side of the ring.
