Description

This exquisite French Empire console dressing table from the early 19th century is crafted from solid mahogany and mahogany veneer. Featuring a tilting mirror, elegant bronze appliqués, and a small under-drawer, it embodies the refined craftsmanship of the period. The gracefully curved legs are connected by a lower shelf and end with metal casters, ensuring both beauty and functionality.

A stunning piece for antique collectors and lovers of classic French furniture, this Empire-style toilette console adds historical charm and sophistication to any interior.

Origin: France

Period: Early 19th century

Style: Empire

Dimensions: 81x44x159h cm
