Description

A large letter opener or newspaper opener...

In carved ivory...

With two-colored mother-of-pearl inlays...

Coral and enamel...

With a complement of gold-painted decoration...

All of great finesse...

The handle is carved from another part...

Carved in the mass...

With a light tea patina...

Even the eye is in black enamel point...

This too is sumptuous...!

From JAPAN...

All the art of Japanese artists who strive...

From the 1900s...

Right in the art nouveau (1890-1905)...

I still have its label from the shop with the price
and certainly the ref written in black ink...
