Description

Beautiful large Baccarat vase "Flowers of the fields and butterfly" Rich decoration of multi-colored flowers with a butterfly on a granite background typical of the Baccarat house. The whole is cleared with acid and finely enameled on top. It is finally enhanced with gold. Large piece, barrel shape, 33 cm high and 11 cm in diameter. Perfect condition, around 1900. Superb in colors and reflects the light particularly well thanks to this granite background. Beautiful model.
