Roast Fork, Hearth Fork Dated 1838 And Blacksmith's Mark, Wrought Iron, Folk Art.

300 EUR

Period : 19th century

Condition : Bon état

Material : Wrought iron

Length : 43,3 cm

Description

Roast fork, hearth fork dated 1838, unidentified blacksmith's mark "U" on the handle.
At the top, hook with a heart dot.
Halfway up the stem, decoration of a faceted sphere.
Three curved square section forks.
Traces of tinning.
Good condition.
Without the presence of the date, one might think this fork is older.
Length: 43.3 cm
weight: 300 g
