

Le Creusot - Cut Crystal Cognac Whiskey Decanter, Circa 1830

230 EUR

Signature : Le Creusot

Period : 19th century

Condition : Très bon état

Material : Crystal

Height : 29cm

Description

Wine carafe / cognac or whisky carafe in crystal cut into diamond points. Produced by the Creusot factory in the 1820s-30s. It may also be a Baccarat production when it bought the Creusot factory by taking over its molds and catalogs. Beautiful collector's item, one of the first "series models", our Restoration period carafe is approximately 180 years old - maybe 200 - and is in good condition, with some micro chips on the edges of the stopper. NB we have 2 carafes to make a pair Height: 29cm with the stopper
