

## Dental Key, 18th Century

180 EUR

Signature : inconnu

Period : 18th century

Condition : Bon état

Material : Wrought iron

### Description

Dental key, called Garengéot, used for tooth extraction. This model can be dated to the end of the 18th century. Very good example of classical style from the second half of the 18th century with a short octagonal wooden handle, a slightly worked forged steel rod and a large movable key. Very good condition. Size: 12.6×7.5cm
