### Description

We present for sale this exceptional games table, entirely marquetry and in veneer wood. It is decorated with geometric patterns everywhere on all the faces as well as on all the external faces of the legs. On the top in an oval medallion a bouquet of flowers also in marquetry. To deploy it a part like a drawer stretches and the top opens to come to rest precisely on this deployed part. When the top is open we discover a pretty walnut. We have placed a round leather with a gold vignette all around. This leather was prepared by a leatherworker in Paris. (E25)
