

Scottish Flintlock Pistol

680 EUR

Period : 18th century

Condition : Très bon état

Material : Metal

Length : totale 20 cm

Description

We present this very nice Scottish flintlock pistol, superbly decorated with inlaid silver filigrams. The stock has a silver ornamentation at the start. It is signed on the lock, the mechanism works perfectly. The barrel is made like a real cannon. Really high quality weapon from the 18th century. Weight 347 gr (E25) YG1 P. N°6
