19th Century Sloping Desk

600 EUR

Period : 19th century

Condition : Bon état

Material : Oak

Length : 63

Height : 87

Depth : 44

Description

Small sloping desk in oak and other fruit wood from the mid-19th century. It opens with a flap revealing an interior with 2 drawers and storage spaces. The flap is supported by the central drawer and we have put gilded brass chains to hold it. Old dovetail assembly. It closes with a key. Beautiful proportions, well made and authentic. Depth with open flap: 77 cm.
