

Louis XV Period Oak Panel

680 EUR

Period : 18th century

Condition : Etat d'usage

Material : Oak

Length : 72 cm

Height : 73 cm

Description

Oak panel representing a man showing two kneeling and horrified women the head of a Gorgone. The scene is integrated into a decor of arabesques and foliage. Originally, the panel is the prototype of a fireplace plate. Period early 18th century Good condition of the panel, however, note some cracks related to the work of the wood during the centuries. Delivery at the buyer's expense
