

Two Baby Bottles Said To Be Bizolaine Glass And Stoneware, 19th Century

200 EUR

Signature : inconnu

Period : 19th century

Condition : Bon état

Material : Glass

Description

Collection of two baby bottles called "Bizolaine", typical of the Beauvais region, Beauvaisie, with their pear-shaped body equipped with a tubular spout and a wider neck for filling. A large glass model (a material that seems rare for this unusual shape of baby bottle): 30cm high and 10.5cm in diameter at the base. A small model in enameled stoneware measuring 14cm high and 6.3cm in diameter at its base. Good condition, uncommon.
