### Description

Magnificent crystal sculpture by Daum representing a Le Mans single-seater car created in 1986 by designer Xavier Froissart. The crystal cars created by Xavier FROISSART at DAUM are dream cars in homage to different periods in the history of the automobile. Through the magic of crystal, it is possible to see the stylized engine and the interior layout of the vehicle in transparency. Xavier FROISSART is the inventor of this concept that he developed at DAUM from 1983 to 1994. Our copy is in very good condition, just dust and superficial cleaning scratches. There is no original box. Period 1986. Delivery 30 euros in France, 80 euros in the EU and 150 euros rest of the world.
