

Cup And Saucer, Porcelain, Old Paris Marine Decor

180 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 12 cm (coupe)

Height : 10 cm tasse sur soucoupe

Description

Porcelain cup and saucer, beautiful seaside decor, landscape animated with characters, old buildings and ships. Curved saucer for so-called trembling cup. We note the freshness of the decor and colors, the little wear on the gilding, the absence of shock or restoration for this beautiful coffee cup. Restoration period of this hard porcelain.
