Description

Very pretty lamp made from an old printing roller (19th century). The solid wood roller has a whole series of patterns over 360 degrees. These are formed in carved wood and brass pieces inlaid in the cylinder. The roller is in perfect condition. It is placed on a matte black wooden base. The entire electrical system is new and up to standard. The lamp therefore works! The lampshade is a unique and custom-made piece, it is made of natural silk. Total height: 85 cm Roller: H = 55 cm Diameter = 16 cm Lampshade: H = 25 cm Diameter = 35 cm Possibility to buy the lamp without the lampshade for an amount of EUR 300
