Description

Larch sideboard, Edwardian style, early 1900s

This is a splendid larch sideboard, a piece of furniture with a classic and timeless charm, ideal for rustic, industrial or vintage style environments.

Characteristics:

- Material: Made entirely of larch wood, appreciated for its resistance, the warmth of the grain and the natural color that varies from honey to golden brown.
- Structure: The cabinet is composed of two main sections:
 - Upper part: Showcase with three glass doors, divided by thin wooden frames, which allow you to display objects and crockery while keeping

them protected from dust.

- Lower part: Closed storage space, with three solid wood doors and three upper drawers, ideal for storing utensils, tablecloths and other everyday objects.

- Hardware: The patinated metal locks and handles add a touch of authenticity and enhance the vintage look of the furniture.

- Workmanship: The wood shows craftsmanship with refined details, such as the contoured top profile and perfectly finished joints.

This larch sideboard is a functional piece of furniture with great character, perfect for decorating a kitchen, dining room or living room with a warm and welcoming style.

Measurements: H 243 x W 209 x D 75 cm.
