Pair Of Percussion Pistols

1 000 EUR

Period : 18th century

Condition : Très bon état

Material : Metal

Length : totale 26 cm

Description

We present this nice pair of Empire period officers pistols from the 18th century which were certainly flintlock initially and were modified and modernized in the 19th century which was common at that time. Beautiful quality work, barrels slightly transformed to the band. Weight 1.1 kg (E25)
