Description

The Netherlands

Delft

Last quarter of the 17th century

Workshop: De Grieksche A (the Greek A) Attr.

By: Samuel van Eenhoorn, Attr.

An octagonal shaped vase with a very fine painting of a Chinese transitional style decoration of Chinese figures in a landscape. Painted in shades of manganese (purple) and blue, by this style of painting, we can attribute the vase to Samuel van Eenhoorn of De Grieksche A (the Greek A) workshop. The neck of the vase is decorated with flowers.

The vase is in good condition, with the normal
