Description

The Visitation, Altarpiece Element From The 17th Century.
elizabeth and Mary
Altarpiece Element From The 17th Century: The Visitation.
Beautiful Altarpiece Element, Flanders, 17th Century Interesting 17th century altarpiece element in blond oak. Work from Flanders, perhaps Bruges, representing the visitation.
This beautiful altarpiece element has come down to us in good condition.
beautiful sculptural work, look at the work of the drapery, faces and hands.
The oak mesh is extremely fine and clearly shows its age. Very beautiful blond wax patina.
A small piece of old restoration on the entablature.
