

## Console Ede N Marquetry Holland XIX

1 350 EUR

Period : 19th century

Condition : Bon état

Material : Wood marquetry

### Description

Curved console resting on 4 arched legs opening on the front with two drawers, this console forming a chest of drawers or wig stand is decorated with a rich marquetry decoration of vases, flowers, insects and leafy motifs, on all its faces and at the top of the legs. This is quality work, Holland from the middle of the 19th century. This pretty piece of furniture is presented in "good" condition, however, there are small cracks and/or tiny lacks of marquetry in places, the price taking into account...
