480 EUR

Period : 20th century

Condition : En l'etat

Material : Painted metal

Length : 0-90

Height : 0,70

Description

Rare and charming small screen in brown painted sheet metal with landscape decoration This work from the beginning of the 20th century represents a scene at the foot of Mount Fuji, animated by birds, a pagoda, cherry trees and a lake. Given its size and its composition in sheet metal, it can be used in front of a fireplace as a fire screen. From the collection of a senior official stationed in Indochina The three leaves can fold 360 degrees Good general condition: note 2 almost invisible rust spots on the right panel and slight aging spots on the paint contributing to the charm of the object. Measurements Height 0.70 Maximum width 0.91 30 cms per sheet
