

Workbench Mid 20th Century

1 350 EUR

Period : 20th century

Condition : Restauré

Material : Painted wood

Width : 155

Height : 93

Depth : 86

Description

Workbench, made with an early 1900s open cupboard to which industrial wheels were added. In our laboratories, the piece of furniture was sanitized and refurbished, leaving the signs of previous paintwork, fixed with a transparent varnish that allows it to maintain the industrial flavor it has acquired over the years.
