Description

This modern drawing from the 30s to the 50s does not bear a signature. However, we find a pretty hand, a pretty technique. It has a blackened and gilded wooden frame that goes perfectly with the work. The work is nicely executed with a beautiful touch. We report on the frame wear and scratches, traces as well as minimal shocks in places. Our many photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
