

## Pocket Watch Repetition Aux Quarts

950 EUR

Signature : DYPSA

Period : 20th century

Condition : En l'etat

Material : Other

Diameter : 5 cm

Height : 1,2 cm d'épaisseur

### Description

Pocket watch in nickel-plated steel with quarter strike

The escapement is a Swiss anchor with a bicompensated balance and a hairspring with a Breguet curve

The bail, the slide activating the strike, the crown and the glass surround are gilded with gold

The case is in nickel-coated steel (shows wear in some places)

The watch and the strikes work correctly but without guarantee (a revision will be necessary)
