Description

Walking and trumpeting, this friendly-looking elephant is certainly an Asian pachyderm. With its small tusks and smaller ears than its African cousin, it is an inhabitant of India and Southeast Asia. Its importance was once so great in society (for land clearing, agriculture and war in particular) that it became the vehicle of the divinities. This small unsigned animal bronze is in perfect condition. Delivery possible worldwide. Favor the purchase of antiques is favorable is sustainable development!
