### Description

Oil on canvas signed Eugène DESHAIES (1828-1891) representing "The surf on the coast".

The canvas in shades of green and brown is highlighted by the white touches of sea foam.

The gray sky seems to threaten the sailboat which is moving away from the coast, while the seagulls find refuge on the rocks.

Rich frame in stuccoed wood with beautiful gilding.

Original canvas and frame.

A small lack in a corner, a slight depression in the sky.

19th century.
