Description

Beautiful little living room bar by Aldo Tura (Italy - Milan). It is entirely covered in parchment (name given to the kid skin when it is applied to wood). It opens with two smoked glass doors which give onto a turnstile for bottles and topped with a shelf for glasses. Ideal for making a Whiskey bar. It is on wheels. This covering is truly superb and striking in terms of aesthetics and represents a very beautiful work of sheathing. It is in perfect condition and will be delivered with a 6 mm glass slab to protect the top.
