

Rocking Goat And Swing - Fairground Art -

850 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 80

Height : 175

Description

Rare collector's item. Here is a rocking goat with its original swing. The whole is made of painted wood and comes from the end of the 19th / beginning of the 20th century. Two possible provenances: fairground swing for young children or swing for young children of the upper middle class at the beginning of the century. In its original condition, some wood chips but which contribute to this beautiful patina of time.
Measurements: 1.75 m high and 80 cm wide.
