

Longwy Earthenware Lamp,

280 EUR

Period : 20th century

Condition : Bon état

Material : Ceramic

Height : 42 cm

Description

This very pretty lamp is made of Longwy earthenware, it rests on a small gilded bronze base, the brightly colored enamels, with which the floral motifs are painted are bright and cheerful, they are characteristic of this factory. The electrification is recent, the lamp is in good condition, however two small cracks are to be noted at the neck. We present it with a basic lampshade in order to give customers the choice of colors and shape, the latter does not justify the shipping costs. Early 20th century. Height of lamp alone 26 cm. Height with lampshade 42 cm.
