1 000 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Width : 98

Height : 154

Depth : 43

## Description

Mahogany and flamed mahogany veneer drop-leaf secretary, opening 3 drawers in the lower part, concealing under the drop-leaf a work surface covered in leather, as well as a theater decorated with small drawers and below them a secret. Oak frame. Inside the theater with Doric columns harmoniously mixes mahogany with light woods of elm and olive. The exterior of the secretary is decorated with bronze and gilded brass fittings. Restoration period. Stamp of DELEVAUX in Dijon. We note in addition to restorations of use and maintenance, reworking of the varnish, old parts on veneer and small holes from old insects...
