Lantoine-Neveux. French school. 41 X 33 cm.
Germaine Lantoine-Neveux (1892-1978) received a classical education with Masters such as Jacques Ferdinand Humbert (1842-1934) and Louis François Biloul (1874-1947). Biloul, more inclined to capture the ambient light than his illustrious colleague, will nevertheless know how to give her this modern taste that will make her an excellent neo-impressionist artist. Modern gilded wood frame. Good condition.
