## Pair Of Marble And Bronze Columns - Neoclassical Style, Late 19th - Early 20th Century

4 500 EUR

Period : 19th century

Condition : Très bon état

Material : Marble

Length : socle : 26 cm

Width : socle : 26 cm

Description
-------------

Elegant pair of marble columns, 109 cm high, resting on a square base measuring 26 cm on each side. Inspired by the neoclassical style, they are distinguished by their slender shafts in veined marble, topped with finely chiseled bronze Corinthian capitals. The marriage of marble and bronze gives these columns a timeless refinement, perfect for highlighting sculptures, vases or objects of art. Ideal for a sophisticated interior decoration or a classic architectural setting.
