Description

Rectangular tray in silver-plated metal in a beautiful format: 70 cm X 45 cm with a very sober decoration on the tray: a rectilinear decoration embellishes it in its center. It rests on 4 flattened pads. Silver plating in good condition. The tray bears the following mark on its reverse: Nodges Brothers Sheffield. The substantial size of the tray allows it to be made into a side table by adapting it to a base. The silver plating, in good condition, has been mirrored in some photos. Delivery costs in France by Colissimo with tracking: 50 euros linked to weight.
