Description

Renaissance Style Walnut Desk Table.
Large Spanish table in solid walnut with Renaissance-inspired carved decoration.
The thick walnut top is entirely carved with Renaissance motifs: floral motifs and interlacing around beautiful shells carved in the mass.
At each corner, heads of warriors, philosophers ... carved in circles forming a tondo within chariots, one of these angels.
The beak of Corbin is also entirely worked.
In the lyre-shaped base we find this sculpture of Renaissance inspiration even fatter, with scrolls and floral ornamentation, around finely worked rosettes in gilded wrought iron serving as a connection to the wrought iron decoration with volutes and foliage connecting the jamb.
A very beautiful waxed patina highlights a very
