Chocolat Révillon, Old Enameled Advertising Plaque Thermometer Complete In Very Good Condition

790 EUR

Period : 20th century

Condition : Très bon état

Material : Enamel

Description

This beautiful enamel plate, used as a thermometer, is in very good condition. I simply point out a few slight unavoidable enamel jumps on the edge, that's all. The thermometer is present and functional, the colors are still very bright. This model with the rooster is uncommon, rare to find in such beautiful condition, without any restoration. Dimensions: 96 x 19 cm. Fast, careful and very secure shipping.
