

## Mythological Subject In Earthenware

220 EUR

Period : 19th century

Condition : En l'etat

Material : Earthenware

Width : 10 cm

Height : 23 cm

### Description

pretty subject in white earthenware, in the style of Niderviller, representing a crowned king from mythology, accompanied by a dolphin. Still in the spirit of the end of the 18th century, it was probably made in the first half of the 19th century. Note a defect in the enamel at the junction of the thigh and the garment, and a broken thumb. Very pretty presence.
