Description

This is a pendant in 18K gold, platinum, diamonds and fine pearls.

It is sold with its 18 carat gold chain.

French work around 1900.

This pendant perfectly illustrates the elegance and know-how of the 1900s.

Its openwork design harmoniously combines 18 carat gold, platinum, diamonds and fine pearls, in a light floral style.

Did you know?

In 1900, jewelry evolved with changes in fashion. Jewelry became more delicate and sophisticated, reflecting the rise of platinum and the influence of Art Nouveau. Plant and airy motifs were then very popular, symbolizing the elegance and
