This precious candy box features a magnificent floral decoration in relief, featuring a flower with vibrant petals in shades of orange, blue and purple, finely enhanced by a delicate golden outline. The contrast of colors offers a striking visual effect, accentuated by the frosted background with blueish nuances. The elegant signature "Legras" in gold, visible on the side, testifies to the authenticity of this refined piece, made in the workshops of the Cristallerie de Saint-Denis. This candy box perfectly embodies the spirit of Art Nouveau, with its organic lines and stylized plant decoration. It will find its place in a glass art collection or will enhance an interior
