Description

France / 1915 / fire screen / rough iron / Art Deco / Art Nouveau / Mid-century

A large Art Deco wrought iron fireplace screen with 3 panels. Crafted in France around 1915. This exquisite piece serves as a protective barrier against sparks and embers but also enhances the aesthetic appeal of your fireplace. Crafted in wrought iron with a rich black finish is beautifully complemented by intricate gold accents.

The three-panel design allows for versatile placement, making it easy to fit into any room layout while providing ample coverage. The fire screen is in an overall very good state with just a
