

Very Elegant Stuffed Crocodile

435 EUR

Period : 20th century

Condition : Très bon état

Material : Other

Length : 65

Width : 27cm

Height : 22cm

Description

This time, the taxidermist who finished his stuffing work at the beginning of the century with a beautiful seam should be proud of himself... His crocodile is still there, threatening as desired... He even wants to devour my little character who serves as an abacus. His tail posed like a whip, camped on his muscular legs, his mouth open, his large scales protruding, he is imposing. Unfolded, he would measure 107 cm long.
