

Horn Marquetry Box From The Seventies

120 EUR

Period : 20th century

Condition : Très bon état

Width : 18 cm

Height : 5 cm

Depth : 10.5 cm

Description

Made of wood and covered with thin horn leaves, this box is originally intended to hold, I think, cigarettes and cigars but it can of course be used as a container for jewelry, keys, change...

Although of a certain sobriety, we can give it a little air of a trapper from the Wild West...
