950 EUR

Period: 19th century Condition: Bon état Material: Bronze

Height: 49 cm

Description

Monstrance from the 19th century in silvered and gilded bronze. It rests on 4 feet topped with a base and a molded shaft finely engraved with palmettes of ears of wheat. The upper part in the shape of a sun includes in its center a glass part to receive the relics circled by a part decorated with angels' heads, the whole topped with a cross. Quality work in good original condition, missing the front glass.
