Description

Pair of Louis XIV style wall lights, early 20th century in turned and painted faux marble wood. Very pretty pair of good size, height 61 cm, imposing by its size and decorative presence. Handmade and turned work from the 30s 40s quite in the taste of Gibert Poillerat in a revisited neo-classical spirit with its two glass stars. Very good general condition of structure and electrification. Very beautiful decorative effect for a beautiful entrance or a symmetrical positioning.
